PREPARED BY: Manny Diez, Public Works / Capital Projects Director, (954) 797-1245

SUBJECT: New Business Item

AFFECTED DISTRICT: All

ITEM REQUEST: Schedule for Council Meeting

TITLE OF AGENDA ITEM: Rights-of-Way Maintenance Issues

REPORT IN BRIEF: In February of 2008 the Public Works Department sent notices to certain residents advising them that as of June 1, the department would no longer be maintaining the public right-of-way adjacent to their home, in accordance with the Town Code of Ordinances. Letters were sent to 35 recipients, both individual homeowners and homeowner associations. These residents were selected to receive the letter because the Public Works department was maintaining a section of right-of-way which, by code, should be maintained by the adjacent property owner. A group of the recipients that are adjacent to the SW 14 Street right-of-way, between SW 130 Ave and SW 136 Ave attended the June 4, 2008 council meeting to express their opinion that plan as proposed by Public Works was unfair to the residents.

The Council directed staff to provide to council any pertinent documents relating to this issue and to place an item on the next agenda for discussion. A package of information was distributed, in hard copy form, to all Council Members and the Public Works Director will be prepared to answer any questions from Council at the June 18, 2008 Council meeting.

PREVIOUS ACTIONS: Council requested that information be provided regarding this subject and that an item be placed on the agenda to discuss the issue.
